RISK MANAGEMENT IMPLEMENTATION PLAN 2017-2018

1. PURPOSE OF THIS DOCUMENT

This document sets out the annual risk management implementation plan. To illustrate the importance of this document it must be underlined that this Risk Management Implementation Plan was compiled in adherence to the guidelines of National Treasury and in support of good governance principles.

2. INTRODUCTION

The Risk Management Implementation Plan forms part of the Risk Management Framework (Strategy) and describes how the Strategy is to be implemented during the 2017/2018 financial year.

The Risk Management function in the Overberg District operates under a Shared Services Charter. The primary goal of this agreement is to provide standardised competitive integration between people, processes and technology with the aim of continuously improving risk management services.

The municipalities that receive the benefit of this Shared Services Charter are:

- Overberg District Municipality (ODM)
- Cape Agulhas Municipality (CAM)
- Theewaterskloof Municipality (TWK)
- Overstrand Municipality (OVE)
- Swellendam Municipality (SWD)

3. OBJECTIVE

The Risk Management Implementation Plan for the Overberg District was prepared to give effect to the implementation of the Risk Management Framework of each of the municipalities within the district and sets out all the risk management activities planned for the 2017/2018 financial year.

4. APPROACH

With the development and compilation of the Risk Management Implementation Plan, the following was taken into consideration:

- The Risk Management Strategies within the Overberg District
- The Risk Management Policies within the Overberg District
- The Fraud Prevention Policies & Plans within the Overberg District
- Available Resources

5. DETAILED RISK MANAGEMENT IMPLEMENTATION PLAN

The detailed Risk Management Implementation Plan is included on the pages that follow.

**OVERBERG DISTRICT RISK MANAGEMENT IMPLEMENTATION PLAN 2017/2018
(Ref.: 6/40/B)**

A. Riddles – Chief Risk Officer

PURPOSE

To obtain Council's approval for the Overberg District Risk Management Implementation Plan, that has been reviewed by the DCFTech as governing body on 09 June 2017.

BACKGROUND

In order for the Municipal Manager to ensure that risk management is properly addressed, the Risk Management Implementation Plan will have to be reviewed and approved by Council on an annual basis.

PROGRESS

A combined implementation plan was developed for the Overberg Risk Management Shared Services, which includes the implementation activities of the Overberg District Municipality. The Implementation Plan was approved by all the Municipal Managers at DCFTech on 09 June 2017.

This document sets out the annual risk management implementation plan and was compiled in adherence to the guidelines of National Treasury's Risk Management Framework and in support of good governance principles.

The Risk Management Implementation Plan forms part of the Risk Management Framework (Strategy) and describes how the Strategy is to be implemented during the 2017-2018 financial year.
